

ATLANTIC AND INDIAN OCEANS
 WITH THE WESTERN PORTION OF
PACIFIC OCEAN
 Compiled from the latest Government Surveys

Table with 2 columns: FATHOMS, METERS. It provides a conversion scale for depth soundings.

Figures on the land and the broken figures (200) on the sea show the height in feet above sea level.
 Natural scale of soundings (Lat. 21°)
 SOUNDINGS IN FATHOMS

NOTE
 No lights or Radio Navigational aids are shown on this chart.

m/n "AUSTRALE"
